

Pendleton Juvenile Correctional Facility will gradually resume in-person visits beginning August 30, 2021. We understand seeing loved ones in-person for the first time in 15 months will be an emotional experience for many. However, due to the continued threat of COVID-19, visitors will be required to follow certain rules when face-to-face visitation resumes on August 30, 2021.

CDC guidelines will be followed for approved visitors. Visiting slots will be limited based on space availability following COVID-19 safety protocols such as social distancing. Visiting days, times, and availability vary from complex to complex.

How often will visitation be available?

Students may have one visit per week. Visits are one (1) hour duration. Students are allowed to have up to two visitors per visit.

These will be no-contact visits, a restriction being taken due to COVID-19 in order to protect both our students and the public. Visitors will also be required to wear masks at all times while inside the facility.

Approved visitors must schedule visitation with their family members at the following website <https://idoc.gtlvisitme.com>.

For more information on scheduling visitation, including a guide on how to use the scheduling website, please visit <https://www.in.gov/idoc/about-idoc/visitation/>

Visits will be by appointment only and may be canceled with little notice if dictated by health and safety concerns. Visitors should check their email and/or with the facility to ensure that scheduled visits have not been canceled before leaving their residence to travel to the facility.

The visitation schedule for Pendleton Juvenile Correctional Facility is as follows: **B4, D, and A Complexes Visitation Schedule for Monday, Wednesday, Friday, and Saturday:**

Entry and Screening Procedures

1. Personal face coverings/masks will be required during all visits.

2. All visitors must pass the facility's COVID-19 screening process.
3. All visitors will be subjected to a temperature check to confirm temperatures are not greater than 100.4°
4. All visitors exhibiting symptoms will not be allowed to visit.
5. Children ages two (2) years and older are required to wear a surgical mask.

Vending Machines

1. No, eating or drinking, including the use of water fountains, shall be allowed. Visitors may buy vending machine snacks (limit is three items) at the end of the visitation period.
2. Student(s) will then be allowed to eat their items (3 in total) at the end of visitation.
3. Students will have 10 minutes to consume all items bought by family members during visitation (after their visitor(s) have left the VR).
